Direct purchase customer: Yes No

In submitting this request to Énergir, s.e.c. ("**Énergir**"), subject to the exercise of our right to withdraw as provided below, we agree to purchase renewable natural gas ("**RNG**") from Énergir according to the following terms and conditions:

- Quantity: The smaller quantity of the following two quantities: i) the percentage of annual consumption of natural gas that we established in the above table, or ii) the percentage determined by Énergir;
- Terms and conditions: The terms and conditions established by the Régie de l'énergie, as modified from time to time. The RNG supply rate is set annually and is currently, as an example, 51.94¢/m³ (\$13.71/GJ), plus the other services provided by Énergir to distribute the RNG (transport etc.);
- Start date for RNG delivery: The later of the following two dates: i) the date that we established in the table above, or ii) the date set by Énergir.

To this end, we understand and agree that Énergir will enroll us on its Request List ("**Request List**"). The assignment of our position on the Request List is made by Énergir based on the "first come, first enrolled" principle. Énergir will inform us by written notice ("**Notice**") when it is our turn, based on our position on the Request List. Once this Notice has been received, we have to purchase the RNG according to the above conditions, unless we exercise our right to withdraw.

Right to withdraw: In order to cancel our above commitment to purchase RNG, a written notice of withdrawal must be sent to Énergir within **30 working days** following receipt of the Notice.
